Subject: Tow Trucks - Received

Good Morning,

I can advise I received the following units this morning:

- 2002 International 4300 Medium Tow Truck VIN 1GDKC34F3TJ505699
- 2010 Dodge Ram 3500 Tow Truck VIN 3D6WG4EL9AG114361

Both units are in good condition and have been safely moved to the secure staging area in Lethbridge.

I have been in contact with the vendor and we are coordinating the delivery and receipt for the remaining confirmed units this afternoon. We will move them to the same location and I will update Service Alberta for registration purposes.

Thank you,

Inspector Jason Delaney
